The C A R C meets the third Wednesday of the month at 7:30 PM.

NEXT MEETING IS NOVEMBER 15TH AT THE EMERGENCY PREPAREDNESS CENTER.

LAST ISSUE FOR 1988-89

December 1, 1989 is the end of the two month grace period for fiscal year 1988-89, ending October 1, 1989, of the Canton Amateur Radio Club. That is when the new 1989-90 CARC mailing list for the Feedline Bulletin, is made up of all those that have re-newed their membership and paid their dues for the up-coming fiscal year.

If you have forgotten to get your re-newal in, or are not sure if you have, contact Larry K8RMY, our Treasurer, to verify and get your dues in before the deadline, so you will not miss a single issue. Send to Larry Schmader K8RMY, 3726 - 12th St SW, Canton, Ohio 44710.

We are happy to welcome two new members for this year. They are Roger McDaniel KBAXA of East Rochester and a newly licensed newcomer, Matthew Stephens KB8HWV, son of Roger N8CXG of Navarre. He joins his Dad and Sister Julie K8BYMQ in the Amateur ranks. Now if they could talk Mom into joining !!!!!

Also, jog your buddies memory, to see if they have renewed. If they are not a member of CARC, tell them how to join. Many of our members

are also members of other clubs and help support and enjoy the additional fellowship.

MINUTES OF OCTOBER CARC MEETING

The October 18, 1989 regular meeting of the Canton Amateur Radio Club was called to order at 7:32 PM by President Joe Vignos W1FEZ. A round of introductions followed with 50 members and 1 guest.

There were no corrections or additions to the August or September minutes. A letter was received from Joanne Solak KJ3D/8, urging all Ohio Section ARRL members to vote in the current election for the Great Lakes Division Director.

TREASURER'S REPORT - Larry K8RMY reported on the club's financial activities for the fiscal year with a balance on hand of \$5851.00.

W8BAYE REPORT - Dave Beltz W8BAYE, reported that the ARRL will probably postpone the National Simulated Emergency Test, due to the large amount of traffic being passed as a result of the San Francisco earth quake

A new programable 440 Mhz link has been added to the W8BAYE repeater and an update detailing of its use will appear in a future issue of the Feedline.

Dave asked that the club loan him \$550.00 to expand the links to include programable capabilities on 2 meters, 10 meters and 220 Mhz. Dave was invited to the next Trustees Meeting, to discuss the financing of this project.

W8EK REPORT - Ken Simpson reported on the Great Lakes Director election and the ARRL's feelings on the proposed license fees.

There are now more than 30 No Code License Class Proposals before the FCC for consideration.

Dayton is no longer the largest Ham gathering in the world. In August, 58,000 Hams met at a Hamvention in Tokyo.

PRESIDENT'S REPORT - Joe Vignos W1FEZ, asked for suggestions concerning the club station. How can we make it more accessible to the members? Should we move the club station?

Several members have suggested that a Packet Station should be part of the club. Joe would like to know your feelings.

Joe also asked: What would stimulate more club activity? He suggested going to a two meeting per month format. One meeting would be the regular business meeting, the other would be a Special Interest meeting. For instance, an all Novice or Technician Class meeting or a meeting for those interested in Packet, DX or Radio Direction Finding.

JACK WADE N8LCS, announced that in June or July of 1990, a group of divers plan to walk from Marblehead to the Canadian border, beneath the surface of Lake Erie. He wants to use Amateur Radio to coordinate this effort. Anyone wishing to help with the communications can contact Jack

at (216) 837-3826.

50/50 DRAWING - Winner of \$16.50 was Myron Koyle NBDHT. He donated his winnings to WDBAYE Repeater Fund.

On a motion from Tom Streb N8KZZ, the meeting was adjourned for coffee and donuts.

Respectfully Submitted By

Sandy Shrigley KB8FZX

CARC Secretary

PROGRAM FOR NOVEMBER MEETING

Jack Wade N8LCS, will show a video of a Ham Radio station (Submerged Marine Portable). They contacted forty States and eleven Countries from this station. Jack also holds the record in Guinness Book of World Records, being submerged on a Scuba Dive, with no break for 80 hours and 4 minutes.

Julius KD8XD

Program Director

PREZ FEZ SEZ

At our October Club Meeting, we kicked off the new year.

Some of the topics suggested for discussion and possible action were: (1) A Club Station located in a more accessible location or possibly a Trailer fitted up for emergency, recreational and public relations use. (2) Public Awareness as an activity to promote Amateur Radio and our club. (3) Increasing the number of meetings: to two a month, one being the regular meeting and the other to be a meeting of a Special Interest Group (SIG) such as Novices, Technicians, Packet, Repeater, DX and Radio Direction Finding. Each month one SIG group would meet. If enough interest were generated within the group, additional meetings could be scheduled.

Before getting into any new "topics" to discuss at future meetings, let me say that the lack of response from the members at the October meeting on the subject of the Club Station and two meetings a month was very discouraging and alas almost predictable.

Two more subjects that I intend to bring up at our future meetings will occur what we should be doing with Repeaters and what should we be doing with Packet.

Even though response by the membership at our Club Meetings has yet to be attained, I am still trying to operate under the premise that the Club should do things that the members want. There are those that tell me that the members don't want anything but only to be entertained.

Please, prove them wrong. SPEAK UP at the Club Meetings, Phone me, or even drop me a line.

73's

THE FEZ

FOR SALE - Model 540 Ten-Tec Transceiver, HF6V Butternut Vertical antenna, Trac Keyer and many other items. Call Jack on 863-2795 for complete list and info.

FEEES FOR AMATEUR RADIO

Our illustrious elected Senators and Congressmen, have voted to charge the Amateurs \$30 to \$35 every time we send in a 610 form. Have you written your letters of dismay to our local reps. They are Senator John Glenn, 200 N High St, Columbus, OH 43215, Senator Howard Metzenbaum, 1240 E 9th St, Cleveland, OH 44199 and Congressman Ralph Regulas, 4150 Belden Village St, Canton, OH 44718.

Ask them to join in and exempt the Amateur Service from these fees. We need more young people to get a start in the Electronic Field and what better way to get them interested than by Amateur Radio. The proposed fee would discourage a new comer. With this thinking, no wonder other countries are getting ahead of us in the field of Electronics.

To add insult to injury, the money would go into the general fund, supposedly to help reduce our national debt and would not help the FCC.

CARD DUES

The fiscal year for the Canton Amateur Radio Club, is from October 1 to October 1. At the start of the fiscal year, your annual membership dues are due.

Support your club and the club repeater, by re-newing your membership promptly. Just fill out this membership form and mail to our Treasurer, Larry Schmader K8RMY, 3726 - 12th St SW, Canton, Ohio 44710 or hand your dues to him at next meeting.

SUSTAINING MEMBERSHIP - Any licensed Radio Amateur, contributing \$15.00 or more to the Canton Amateur Radio Club, will be placed on the Sustaining Membership Honor Roll for their generous contribution to the club treasury. They will have full privileges which includes voting rights, Feedline Bulletin, free Stark County Directory, which is published every two years and can hold any office in the club.

FULL MEMBERSHIP - Any licensed Amateur Radio Operator, contributing \$10.00 for dues, is entitled to all club privileges as above.

ASSOCIATE MEMBERSHIP - Any person, with an interest in Amateur Radio and wanting to help support the club, that pays \$5.00 dues, will be entitled to the Feedline Bulletin, can promote the Football Hall of Fame Certificate, but has no other privileges nor can they hold any office.

FAMILY MEMBERSHIP - Any family member, living in the same household as Full or Sustaining sponsoring member, for the payment of \$1.00 dues, will have same privileges except only one Feedline Bulletin will be mailed to the address.
